### Weekend at the Sainte Baume

**from Saturday, May 28, 9 am to Sunday, May 29, 1 pm**

**"The woman and the sacred"**

In this place that welcomed Saint Mary Magdalene, a figure of femininity, many pilgrims or visitors ask themselves questions. How can we talk about this theme? During this weekend, Saturday and Sunday morning will be devoted to conferences, while Saturday afternoon will invite to a time of silence, to a climb to the Grotto of Saint Mary Magdalene and will conclude with a prayer vigil. Among the speakers, Marie Bayon de la Tour will talk about the woman in Teilhard de Chardin.
